YVONNE:

Discussed need to schedule new board luncheon.

Need to have all job descriptions updated.

KIRA/SPEAKERS:

November speaker will be a Pharmacist from Dollar Drug discussing medicine compounding.

There will be no speaker at December's meeting due to it being the Christmas Party.

VOLUNTEERS:

Marcy discussed the Dec Christmas Party food vendor. Decided to get a quote from Chole's again. The budget is \$800.00. Will have 4 message chairs available for people to get messages. Will ask for volunteers to bring center pieces for the tables which will be auctioned off. People will be asked to bring additional items to auction off.

SHEILA:

Asks that several women wear tacky bridesmaid dresses to the next SOA meeting to raise awareness about the Oct 9 wedding/fundraiser she is planning for the Alzheimer's Walk. This event will take the place of the Oct SOA mixer.

DME: Need to get remaining beds from storage at Shiloh to Careful Moving and Storage as they are out of beds. There is lots of traffic to the voice message system. Careful Moving has two men and a truck available to help with a move for \$120.00 per hour.

NEXT LEADERSHIP MEETING: Will be at the Union Hotel in Rincon Valley and will be a luncheon to welcome the new leadership team members. To be held December 10th.
